EDUCATION

Class	School/College	Board/University	Subjects/Stream	% of Marks
B.Tech (C.S.E) (2014-present)	Krishna Institute of Engineering & Technology (K.I.E.T)	Dr. A.P.J. Abdul Kalam Technical University	Computer Science & Engineering	80.27%
12th (2014)	Modern School	C.B.S.E	Physics, Chemistry, Maths. , Information Practices, English	85.6%
10th (2012)	Modern School	C.B.S.E	Science, SST, Hindi, Maths. , English	8.4 CGPA

TECHNICAL SKILLS

- Proficiency in C & C++
- Primarily knowledge of Linux ,Core Java, Python, MySQL and HTML

PROJECTS

- Bypass captcha - By maintaining url hidden static session   (Linux, Python)
  Fetching the result from erp.aktu.ac.in site even in the presence of Google Captcha at a single click
  www.vibgyor7.xyz/result
- Web scrapping - Student semester result analysis   (Python, Linux , MySQL , HTML, JavaScript)
  Generalized project for "Dr. A.P.J. Abdul Kalam Technical University" and is currently being in use in K.I.E.T campus
- Internal Mail Architecture Implementation –   (Servers : DNS, Postfix , Dovecot, MySQL)
  Sending and receiving mail in constraint environment for an organization
  www.vibgyor7.xyz/webmail
- Origin destination distance matrix calculation –   (Python , API , VPS)
  Calculating the origin destination distance matrix based on Latitude- Longitude (GIS) for large dataset integrating python with google maps / bing maps using VPS.

SHORT COURSES & INTERNSHIP

- Undergone internship at S.A.G (a DRDO lab.) in 2016 as well as in 2017.
  - During that tenure I found vulnerabilities in few websites & in web browser
- Short course on C & C++ in year 2015 from Ducat GZB.

EXTRA CO CURRICULAR ACTIVITIES

- Coordinator in college FEST "EPOQUE" in the year 2015-16
- Coordinator in college "Frescos" event in year 2014-15

ACHIEVEMENTS

- Acquired first rank in college in Virtual Campus League (Coding Test) conducted by TechGig in 2017
- Secured first prize in "SCROLLS" (Technical Paper presentation) contest organized by the college (AKGEC) in 2016
- Cleared Round 1 of Code Vita 2016 conducted by TCS
- Participated in Caliber "de-en-quete" (CDQ) (Aptitude Test) organized by COMET 2016 by I.I.T B.H.U
- Cleared 1st round in Code War -2016 (Coding Competition) by CSI (Computer Society of India
